

# CONNECTING ANDROID DEVICES TO STAFFAIRNET

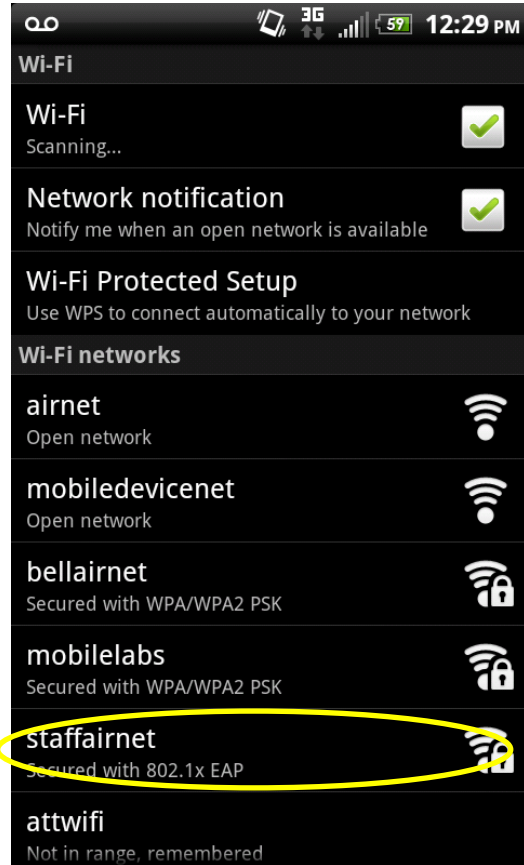

Step 1:

- Go to Setting (⚙️ or ⚙️)
- Go to Wireless & Networks
- Verify that Wi-Fi is checked
- Select Wi-Fi Settings

## Step 2:

Select **Staffairnet** from the list of networks

## Step 3:

- Once you select Staffairnet a box will come up asking for your login information.
- You will only need to enter your **Username** and **Password** in the **Identity** and **Wireless Password** box.
- Click Connect.
- You should now be connected to Staffairnet.
