

# CONNECT YOUR ANDROID PHONE TO AIRNET

## Step 1:

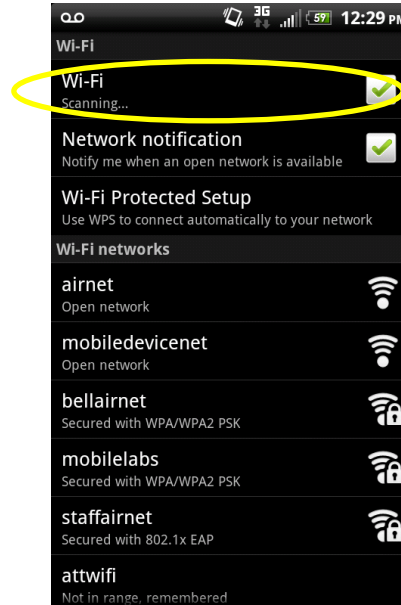

- Go to Setting (  or  )
- Go to Wireless & Networks
- Verify that Wi-Fi is checked
- Select Wi-Fi Settings

## Step 2:

Select **airnet** from the list of networks

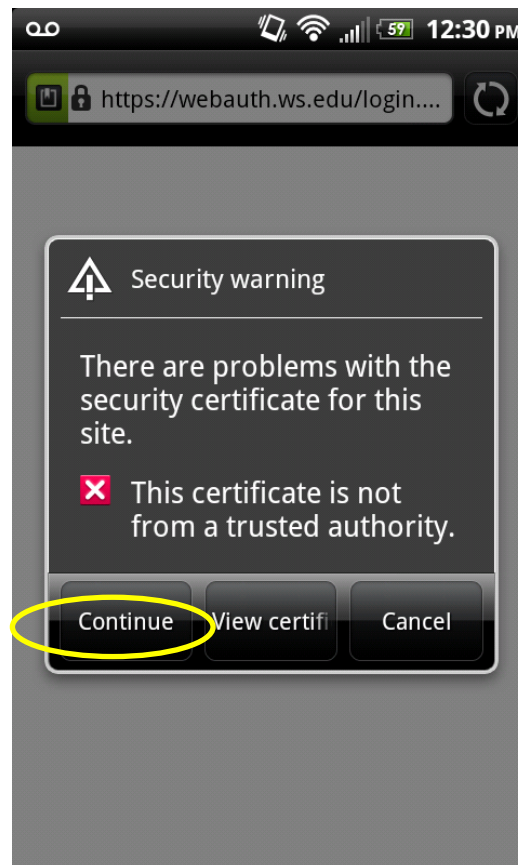

Note: If you are already connected to a network, select that network and hit **forget**. Do this even if you are connected to airnet.

## Step 3:

Once you are connected to **airnet**, open your web browser

You may be prompted with a security warning about the web certificate. Select **continue** to get to the login screen.

## Step 4:

- Enter your login information the boxes.
- User Name: STUDENT\  
“username”
- (First Initial + Middle Initial + Last name ex. JBDoe)
- Password: Use same password as Elearn. Select Submit.
- This should now redirect you to your home screen.
