

CONNECTING ANDROIDS TO STARMAIL

Step 1:

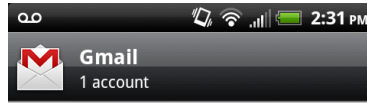

Download the Gmail application to your device. This can be found in the Android marketplace by searching “Gmail”.

If you have a barcode scanner, you can also scan the QR code on the right.

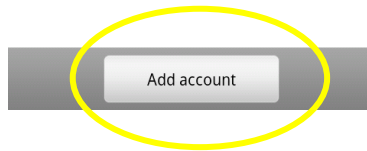

Step 2:

Open App and go to Accounts.

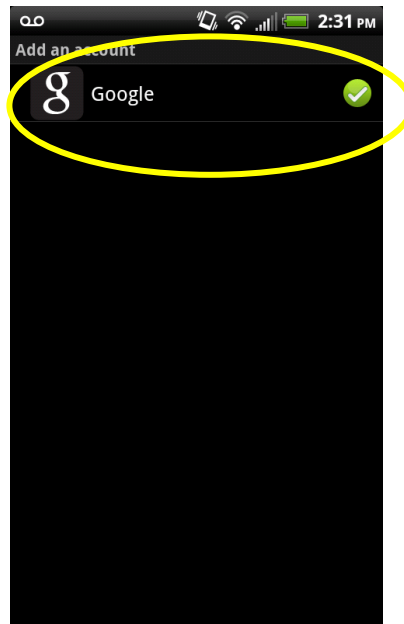

Select **Add Account** on bottom.

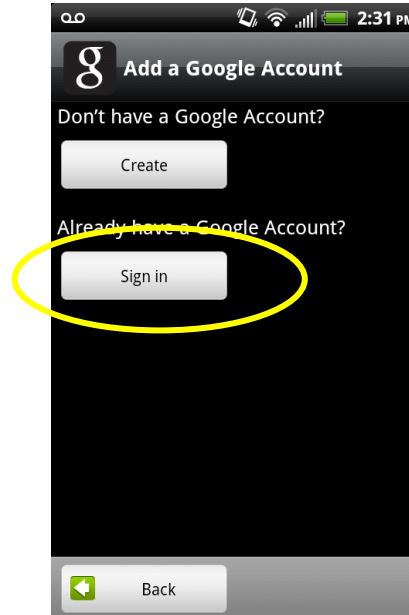

Step 3:

Select Google

Step 4:

Select **Sign in**

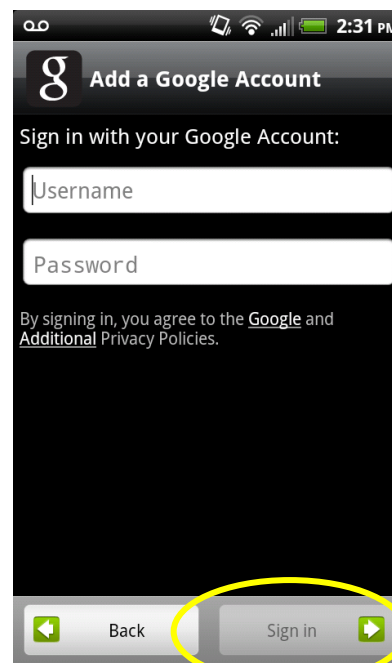

Step 5:

Enter your Starmail login information the boxes.

Select **Sign in**

This may take a few minutes to connect to your account.

Step 6:

Once you are logged in, you will be able to select what you would like to sync.

Once you have selected your options, select **Sync Now**.

You will now be able to send/receive mail from your Starmail Account.
